FEAT #1:

One contortionist platter, please.
Here is the Hair Master astounds his five wives by folding his feet behind his head...

Hopefully one of his wives wash out the bowl before dinner.

Watch as the Hair Master carries his seventy pound son...
...by only his hair.

FEAT #3:

And...in his most inhuman feat yet...
...witness the Hair Master pull a car...by his hair!

Yes, folks, this man is real...
...his hair is real...
...and if you step inside now...
...you'll witness for the first time, the Hair Master Clan!
Hurry, hurry, hurry! Step right up!
Before the Hair Master pulls his car away to the next town.
