### Octagon Shape Sorter

Learning about shapes has never been this fun. The octagon shape sorter has everything your child needs to discover and learn about shapes, colors and animals. Over a dozen different shapes lay at their fingertips as they play.

### Work Bench

Watch your child hammer out their learning process with the Pound n' Play Work Bench. Dazzling colors and shapes await your child as they pound their way to fun.

### Learning Cube

The Learning Cube is a one-stop learning adventure your child will enjoy, containing a colorful array of educational fun. From shape sorting to bead chasing, learning about time and colors, this cube is built for longevity and will provide your child with countless hours of enjoyment.

### Bath Squirters

Spritz and spray away with the Mommy & Me Bath Squirters. Taking a bath has never been so much fun. Four colorful animals provide the perfect companions for your child's water safari. Simply squeeze underneath the water to fill up, and let the squirt-fest ensue.
